SUMMARY

Physics graduate (BS Physics, Government College University (GCU) Lahore, 2021-2025) with research in computational and plasma physics. Thesis: Beam-Driven Instability in a Cairns-Distributed Plasma. Strong in Computational Physics, Statistical Physics, Mathematical Methods. Certified Google AI Essentials, Global Quantum Challenge 2026. Built 3 interactive physics labs.

Seeking MSc Admission / Research Internship in Physics, Data Science & AI | Focus: Computational Physics, Geophysics and Quantum Technologies

EDUCATION

BS Physics — Government College University (GCU) Lahore · 2021-2025
Thesis: Beam-Driven Instability in a Cairns-Distributed Plasma (Grade: A+)
Coursework: Computational Physics, Statistical Physics, Mathematical Methods, Modern Physics

HSSC Pre-Medical — Govt Degree College Khanozai · 2019 **813/1100**

PROJECTS

Physics Seekho · Next.js 15
Interactive Urdu/English AI physics tutor with 8 lessons and a live AI chat tutor.
